GO & DO LIKEWISE WEEKEND - RECAP

On March 24th & 25th the members and friends of Prince of Peace worked tirelessly to help others in our community. More than 165 volunteers (ages 5 to 100) provided over 500 hours of support for 25 projects, which included these and more:

Food for over 200 people – cooked, carried, blessed and served for Pinellas Hope, Ronald McDonald House, Kimberly Home moms & our own hardworking helpers.

Love and warmth in 176 baby blankets for infants in the neonatal intensive care unit at All Children's Hospital, **11 quilts** for Lutheran World Relief, and **19 fleece lap blankets** for the veterans at the VA.

Comfort and care in 80 Bear Essentials bags for children in Lutheran Services Foster Care, **100 Hope Kits** for the homeless in our community, and **172 greeting cards** for our homebound and for military service personnel.

Strength and teamwork in building a home with Habitat for Humanity, **moving** the contents of a large storage unit for Kimberly Home, and **deep cleaning** an apartment for RCS Haven as well as the Clothes to Kids facility.

*Special thanks to **Thrivent Financial** for their generous grants, and **Walmart, Publix and Gordons Food Service** for their kind donations.*

Plus! **Heartfelt thanks** to each of you for your support and donations!

Endowment Board Update

The Endowment Board has met and is pleased to announce that the Prince of Peace Endowment fund made money in 2016! Enough was made to allow the distribution of \$6,874.20.

The Endowment Fund will make gifts to reach out to others in the name (and at the command) of Jesus Christ. The form included in last month's newsletter may also be found online at www.poplargo.org/endowment.

The forms are due back at the church office by April 18th (Tax Day).

The Endowment Board members will meet in May (and June) to decide which requests we are able to fund, and hope to be able to distribute to charities beginning in July. So, thoroughly describe your program and what you want to accomplish for them in your request. The idea is to provide support for those outside of our congregation. These requests are specifically to *not* fund day-to-day ministries within Prince of Peace, and we cannot provide "seed funding" for anything that the Congregation Council has not already approved.

Ponder a project that you know of that may benefit from the financial help of the Prince of Peace Endowment Fund – one that can help us reach out to others in the name of Christ. ***And have your forms in by April 18th!***

ATTENTION! VBS REGISTRATION IS OPEN!

It's official – PoP VBS registration is now open for summer 2017! Register your child or become a volunteer (youth & adult volunteers needed). Look for "Abbee" on page 6 for more details on Maker Fun Factory VBS 2017, registration and volunteer opportunities.

"Hi, I'm Abbee. Look for me on page 6!"

PEACE GARDEN & COMMEMORATIVE WALKWAY

90 Engraved Pavers & Counting! What a wonderful response we have had so far to this special project for the Commemorative Walkway in the new Peace Garden.

You might have noticed that three trees have been planted in the area and preparation work has been done for the irrigation system. We should soon begin to see the walkway installed.

The engraved pavers will be put in place after the entire walkway is in – so if you would like to be a part of this beautification project, you still have time to pick up a special form to order your engraved paver/brick. Special thanks to all who have already submitted their order. Forms are available in the Church Office, in the Parish Hall on Wednesday evenings, under the portico after Sunday worship or on PoP's website (www.poplargo.org). *Engraved bricks are \$65.00 each.* We are getting very excited as this PoP beautification project progresses.

Do something for the planet on earth day!

...And Every Day!

In 1998, 25 million environmental refugees fled from desertification, deforestation, industrial accidents and natural disasters – more than the 23 million who became refugees because of war. As a result, environmental refugees will become ever more numerous, driven from their homes by droughts, floods, extremes of weather, or rising sea levels. The United Nations estimated that by 2010 the world would have 50 million environmental refugees; by 2050 we may have as many as 150 million refugees as coastal flooding, erosion and desertification worsen.

Every year on April 22, more than 180 countries celebrate Earth Day. Join the party and take part in events organized in and around that day. Then, through your own behavior, make every day an "earth day!" <Earth Day Plant Celebration, page 4>

SERVICE COMMISSION APRIL INITIATIVE

During the month of April through Mother's Day (May 14), PoP Service Commission will be collecting items for the annual Mother's Day Dresser Ministry. Items collected, including the dresser full of supplies and newborn clothing, will be donated to underprivileged pregnant women in care centers like the Kimberly Home in Clearwater. Look for the dresser in the Narthex with a list of recommended items to purchase! We are thankful for your care and generous hearts!

TURNING ASIDE

A New Time for Study

In Exodus while shepherding his flock, Moses sees a bush burning, but not being consumed. *"I must turn aside and look at this great sight, and see why the bush is not burned up,"* says Moses. There, the LORD confronts him, calls him, teaches him.

We will continue turning aside this month on **Mondays, April 10 & 24 at 7pm** with Dietrich Bonhoeffer's "Life Together." The eight who are now discussing the book would be thrilled to welcome others to this modern-day classic. In it, Bonhoeffer describes the life we live together as followers of Christ. Each gathering will go 60-80 minutes, and we'll **meet in the COC** [Community Outreach Center].

Bookstores, online services, and even the library can help you. We may have a copy of this small book in our church library. Let's turn aside together.

FINAL WEDNESDAY IN LENT

INQUIRERS' CLASS BEGINS APRIL 30TH – 10AM Sundays / Church Office

Inquirers' Class is for all who would like to know more about the Lutheran tradition of the faith. Bring your questions, meet the staff, and engage in conversation about the faith we share.

2017 is a year of commemoration as we remember together the events of 500 years ago that brought about what history calls the Reformation. We have been anticipating this time with prophetic studies. In days ahead, we see how Luther interpreted the scriptures to give us a teaching tool: *The Small Catechism*. We invite you to come on Sundays and Wednesdays (and on other days of the week) to explore the powerful, prophetic and saving word of God. We will learn more of what we called Lutheran Christians hold dear.

SUNDAY CLASSES [APRIL 2ND]

THE SHOUT: FINDING THE PROPHETIC VOICE IN UNEXPECTED PLACES

Martin Luther was a prophet in his day, calling for a return to scripture. He particularly railed against church practices that took advantage of the poor. "The Shout" is based on the opening words of Isaiah 58. Through the use of art, poetry, and video performances, we will be encouraged to listen for the unheard prophetic voices in our community and outside the walls of our parish. Then we'll discuss ways to help those voices in being heard.

Join us for this series as we study together on Sundays at 10AM in the Chapel.

WEDNESDAY [APRIL 19 – MAY 10]

BAPTIZED WE LIVE – A LUTHERAN CHRISTIAN WAY

So, we are Christians who call ourselves Lutheran Christians. How does a Lutheran Christian understand the faith and life that God has given us? Pr. Dan Erlander has written a booklet entitled *Baptized We Live* in which he deals with that very question. For him it's all in our ways of Seeing, Hearing, Teaching and Following." Join Pr. Joe for a four-week session with lots of information and discussion.

SUNDAY PREVIEW – THURSDAYS AT 10AM

Don't forget, on Thursday mornings, we meet over coffee to look over the scripture readings coming up on Sunday morning. Get a head start in prayerfully pondering those passages with Pastor Vern Squire. It is a wonderful way of preparing for worship and anticipating the prayers, hymns and sermon for Sunday. **Join us in the Community Outreach Center at 10AM!** The last class of the season is April 13th!

"24/6" – SUNDAY ADULT FAITH FORMATION [APRIL 23 – MAY 14]

Do the words "Remember the Sabbath and keep it *holy*" sound familiar? It's the only commandment that begins with the word remember. Almost as if God knew we would forget. Well, guess what? We did. In "24/6," an ER doctor provides a life-giving prescription for a healthier, more God-centered life amidst a digitally crazed, always on world. Dr. Matthew Sleeth helps us better understand how our lives can be radically transformed by adopting a 24/6 lifestyle. *Join Pr. David Webb and Jane Corcoran on Sundays at 10AM in the Chapel for this four-week journey. Invite a friend!*

BISHOP SCHAEFER'S RESIGNATION CHANGES SCHEDULE

The past couple of months have been challenging for the Florida Bahamas Synod. As most of you know, Bishop Robert Schaefer announced his resignation in February, effective March 5. Below is a paragraph from a brief note that he sent to rostered leaders. His letter making the formal announcement has been posted here at the church for weeks.

"After several months of struggling with this, I have made a decision necessary for my own well-being going forward. While it has been a privilege and joy to serve as bishop of this synod for the past 3 ½ years, it has taken a toll on me personally and spiritually that I can no longer ignore. After much soul searching and conversation with the family over the holidays, I have decided to step down as bishop."

Soon we will welcome the Rev. Marcus Lohrmann to serve as our Interim Bishop. For 18 years Pr. Lohrmann served as Bishop of the Northwestern Ohio Synod, retiring in 2016. Prior to that he served as pastor in three different congregations.

What happens now? The annual Synod Assembly scheduled to take place in June has been cancelled and rescheduled. Rostered leaders Conference on Ministry, an annual continuing education event which normally takes place in the fall, has also been cancelled. An Assembly for the purpose of electing a new bishop and other business will convene in Kissimmee on October 12-14.

Let us continue in our prayers for the Synod Council and other leaders of our Synod as they carry out their duties and seek to lead us now and in the months ahead.
