FESTIVAL DAYS RING IN THE NEW YEAR

Leave it to the Church to ring in the Church Year as only the Church can—with festival times to lift up the goodness of God for all!

Even as we enter into the new year, we find ourselves still walking in the season of Christmas. The twelve days stretch across the calendar’s page turn. Just think, even after the big ball drops in NYC, we Christians are still pondering and marveling at the work of a God who comes as a baby born in a barn.

Sunday, January 6 is the Epiphany of our Lord, marking the coming of the magi. They lay odd gifts before the Christ child and give his parents even more to wonder about. On this day we recall how the wise men came from afar – from countries whose cultures were far different from Jesus’ family. We learn yet again how the good news of this Child’s birth is meant to go all over the world, even as the magi returned to their homes “by a different road.”

This year we will celebrate the Epiphany in the morning at our usual worship times. But we will also observe the day as we have been doing so at PoP for many years. We call it the *Feast of Lights*. There will be costumed friends, inspiring music from our choir, scripture and prayers. We will also welcome the special music of our handbells, double bass and, yes, banjo.

The Feast of Lights will be on Sunday evening January 6 at 5PM.

But there is another festival of the year that meets us in January.

On Sunday, January 13 we observe the Baptism of our Lord.

This very traditional time for baptizing is rooted in the story of our Lord’s own baptism by John in the Jordan River. There, from the waters where our Lord emerged, he began his ministry among us. In our Church Year observances, this Baptism of our Lord day pairs significantly with another day

that...well, we’ll talk about that one later.

Blessed opportunities abound to serve our Lord, to worship with the sisters and brothers, to learn more about our Lord and his work in our lives, to walk together in the joy-filled confidence that we belong to a mighty God—a God who has gotten us this far and will see us through the new year, too.

A joyous new year, indeed!

Join us for worship together & to pray for unity.

WEEK OF PRAYER FOR CHRISTIAN UNITY – 7PM, JANUARY 24

For many years, congregations from this part of Pinellas County have gathered on this week to observe the *Week of Prayer for Christian Unity*. It falls between the observance days of the Confession of Peter [January 18] and the Conversion of Paul [January 25]. It is our honor to host this event in 2019. We will worship together with brothers and sisters in Christ from many different congregations. There will be a joint choir to support our song. Kirk Ray Smith, President/CEO of Religious Community Services, will be our speaker. **Join us for this special time of worship.**

ZINGA PEDIATRIC HOSPITAL | TANZANIA – EAST AFRICA |

DURING WEDNESDAYS TOGETHER ON JANUARY 23, Dr. Denny and Paula Lofstrom will be here to talk about an exciting project in Tanzania. The Lofstroms helped develop the effort and have been actively involved for many years. Zinga is the first stand-alone pediatric hospital in Tanzania. Its aim is to provide specialized pediatric care in a country where 22 million children are under the age of 15 (around 45% of the total population), and for whom these services were unavailable until now. The project is under the auspices of *International Health Partners*, a non-governmental non-profit organization formed by the Lofstroms to facilitate partnerships from all over

the world with Tanzania to improve health care.

In their heart-felt presentation, Denny and Paula will talk about the needs of the Tanzanian people and their own spiritual, mental, professional and geographic journey which has sustained them and brought them to opening The Children's Hospital at Zinga and keeps them moving forward. Along with education and inspiration, the Lofstroms will also bring Tanzanian handicrafts to admire. You may consider purchasing them as a way of raising funds in support of the facility. *Thanks to Pr. Dick and Pam Landeen for arranging for the Lofstroms to be with us.*

YOUNG ADULT IN GLOBAL MISSION, KATIE ELKIN - Sunday, January 20 at 10AM

Join Katie Elkin, a recently returned ELCA Young Adults in Global Mission (YAGM) volunteer, for a presentation and conversation during the Sunday School hour. The YAGM program invites young adults ages 21-29 into a year of international service with ELCA companion churches in 14 different countries. Katie served in Farafangana, Madagascar and taught English at three Lutheran schools – a primary school, a high school, and a school for visually impaired students. While in Farafangana, Katie enjoyed living in community with her global siblings and singing in her church's choir! Katie graduated from the University of North Carolina at Chapel Hill in 2017 with degrees in Biology and Psychology. She is currently serving as a Campaign Interpreter for "Always Being Made New: The Campaign for the ELCA" and is excited to have the opportunity to share her stories of accompaniment from the past year with

WIRED WORD

For example, weekly classes have considered topics like the California wildfires, how a doctor inspired others - even at his death, and also the Sears bankruptcy. Here's an opportunity to consider how scripture teaches us through what we are experiencing every day. See you there!

STEWARDSHIP: LIVE GENEROUSLY

"...do good, to be rich in good works, generous, and ready to share...take hold of the life that really is life." – 1 Timothy 6

Live Generously

Thanks be to God for teaching us each day what it means to Live Generously. Surely at Christmas we have recalled again how our God has generously given everything for us in this small child born among farm animals and laid in a manger.

Over the last weeks of 2018, you continued to put notes on our banner in the narthex, continuing our conversation about Living Generously. You also continued to send your Estimates of Giving and Time/Talent inventories. As of this writing we have received 153 Estimates of Giving and Time/Talent inventories. Estimates of Giving total \$438,248.

Thanks be to God for the resources that make serving in the many ways God calls us possible. We will continue to see our banner reminding and encouraging us along the way in months to come. As we move into 2019 let's turn our hearts ever more to the joy of living generously. May God continue to use us as vessels of Good News for all!

PRAYER SHAWL MINISTRY

Do you knit, crochet, or weave? The Prayer Shawl group is looking for more people interested in creating prayer shawls. Over 300 prayer shawls have been made and donated to those who need to be surrounded by the warmth of God's love in the form of a prayer shawl. Currently, our baskets in the church office are considerably full, so please help us get these shawls to folks who might receive comfort from one. Then, please join us in the creative process! **We meet monthly on the last Thursday at 4PM in the Church Office** to bless the shawls and create them in our own time. *Questions?* Please contact Vivian Fruehling at 727-330-6975.
