

ENDOWMENT FUND GRANT REQUEST FORM

Endowment Fund Grants support ministry activities of Prince of Peace (PoP) that are not included in the general PoP budget, as well as ministries beyond our campus which share our love, faith, and hope in the Gospel. *Please note – The Endowment Board will not provide “seed” money to a ministry at PoP that has not already received the support of the Congregation Council.*

It is not necessary that proposed grant recipients be associated with PoP; however, organizations receiving grants must have 501(c)3 status.

2026 Grant Requests are due by Oct 31, 2026. Decisions regarding requests will be made in November, and approved grants will be distributed in December of 2026.
